

Inventory with **LOW RISK** - \$600

Assume you hold your five Perfect Start Skin care classes with a conservative class sales average of \$100 sales per class

5 Classes X \$100 sales per class =\$500

Let's suppose you start with the **Basic Package** of \$600 wholesale or (\$1200 retail.). You will have a small amount of the Basics and about 1 item of about 10% of our color line. If you are serious about **YOUR** business, you will need to reinvest your sales to build the quantity of products in each department (product line) of your store (inventory) and be on a profit level. Let me show you how the **LOW Risk Guarantee** works:

\$ 600	Beginning Wholesale investment-\$1200 retail	
- 250	Less wholesale inventory depleted from sales at the five classes (or after you have sold \$500 retail.)	
\$ 350	Wholesale balance of inventory on hand after your first \$500 in retail sales	
- 315	Less 90% Buy-back Guarantee from Mary Kay Cosmetics (explained on Beauty Consultant Agreement)	
\$ 35	Not refunded by Mary Kay	
Retail sales from your first 5 classes		\$ 500
Less the 10% not refunded by Mary Kay		- 35
Less cost of your Showcase (which you keep and use)		- 100
You are AHEAD!		\$ 365
Plus your New Consultant Bonuses (which you keep) (Approx.)		\$ 202 Subject to Change
<i>Mary Kay's thanks just for giving it a try!</i>		\$ 567

You will have invested about 12-15 hours of work time in doing your first five skin care classes. You will have earned approximately \$20 per hour plus the bonuses of approximately \$202 just for trying this business- even if you decide to quit at this point! These figures are minimal – if your sales exceeded \$500, then of course the benefit to you would increase proportionately!!

Food For Thought!

If you invest \$1000 in Mary Kay inventory, you can double your \$1000 within weeks!

If you invest \$1000 in a savings account at 4% interest it will not double for 18 years!
