## Foundation Shade Numbering System

**First:** Shades are separated into three categories — Ivory, Beige, Bronze.

**Second:** Shades are separated into depth of color (lightest to darkest). This involves the first two digits.

10 = lightest depth

80 = darkest depth

**Third:** Shades are separated by undertones (shades). This is the last digit.

0 = Yellow

2 = Olive

4 = Pink

5 = More Pink

7 = Golden Orange

8 = Warm Brown

**For example:** Ivory 100 = lightest depth (10) with a yellow undertone (0)

Bronze 808 = darkest depth (80) with a warm brown undertone (8)
